Riverchase - Gate Information Form

Everyone who lives in Riverchase has (at their option) their name, and a two digit or three-digit code which appear at the keypad at the entrance to all three gates. Visitors can look up your name and then dial the code, in which the gate system will call the phone number given on this form, a home land line or a cell phone. Once you answer the call, you can press **9** on your phone and the gate will open for them.

In addition, you also have a 4-digit code that opens the gate without a phone call to your home or cell. To do this, you first press the # button, the your 4 digit code. **PLEASE share these codes CAREFULLY, if at all.** If you do not know your 4-digit code, please contact Alyson Harvey at aharvey@principal-mgmt.com.

The information we are asking for below is necessary for the system to work for you. This information will be kept strictly confidential and will be used only for the gate system. You can choose to have your name hidden, but yours will still work the gates.

If you have any problems with the gates and/or your gate codes, or want to change your information, please contact Alyson Harvey, our property manager at Principal Management, aharvey@principal-mgmt.com.
